

## Bridgeport State Police Post

PA 45 of 2001, being the state's capital outlay appropriation for fiscal year 2002, requires, at Section 2206, that the Department of State Police provide an assessment of the physical condition of the Bridgeport state police post as well as a recommendation for replacement, renovation, or other disposition to the joint capital outlay subcommittee not later than October 1, 2001.

In accordance with Section 242 (2) of PA 8 of 1999, the Department of State Police has prepared and submitted a five-year comprehensive plan for facilities. Pertinent portions of that document which includes an assessment of the physical condition of the Bridgeport state police post as well as the department's recommendation for replacement is attached.
